Agenda item	Comments	Decision/Action	Who?
1. What is working well?	Keep doing the part that worked well	We had a meeting within our team members on Monday tut and we reported each other's work progress and integrate them together. There were also some issues to be resolved and this meeting provided us a chance to discuss the problems and think of a solution together.	all
2. What needs improvement?	This problem needs to be resolved and we decided to set the meeting duration and keep everyone focused on the work	Time management needs to be improved , we should increase the efficiency of meeting and communicate more with each other Building a server takes time and we are not familiar with it	all

		We have set up one fake user only to test the login page, but we would try to store the user information into the database to satisfy more accounts.	
3. Task assignment	Everyone is satisfied with this task distribution	<p>Mingcun: login page server</p> <p>Peiqi: login page server</p> <p>Yanxiao: login page server</p> <p>Yuhe : login page server</p> <p>Ziyuan: login page server</p> <p>Keshav: login page server</p>	all
